

This e-mail alert contains a link to the Federal Reserve System's "H.2 Release."

The H.2 Release is a weekly report prepared by the Federal Reserve System that identifies:

- All actions taken during the previous week by the Board of Governors, its staff, and the Federal Reserve banks on applications already in process.
- All applications received during the previous week by each Reserve Bank in the Federal Reserve System.
- The end of the public comment period on those applications for which a public comment period is required.
- Community Reinvestment Act ratings and evaluations for state member banks that were recently made available to the public.

The H.2 Release is updated each Monday. The updated version can be viewed at <http://www.federalreserve.gov/releases/h2/current/h2.pdf>.
