5. Paying right after you register is the best way to avoid late fees. Every student will be charged \$100 for each one (1) credit-hour course (i.e., \$100 per credit hour) regardless of residency due to this special collaborative effort of the Federal Reserve of St. Louis and the WSU Center for Economic Education. Other WSU graduate courses would typically run from about \$300 to more than \$1,000 per credit hour. From myWSU, click on myFinances:
