

Reporting Tips

For filing the

Consolidated Financial Statements for Holding Companies (FR Y-9C) and Parent Company Only Financial Statements for Large Holding Companies (FR Y-9LP)

DATA ACCURACY:

Suggested line items to review to eliminate common errors and improve reporting accuracy:

- **FR Y-9C, Schedule HC-C, Memoranda, item 14** - If the subsidiary bank's Call Report has an amount of pledged loans and leases reported in Schedule RC-C, Memoranda, item 14, then FR Y-9C, Schedule HC-C, Memoranda, item 14 should not be zero. Please note that when a bank is subject to a blanket lien arrangement or has otherwise pledged an entire portfolio of loans to secure its Federal Home Loan Bank advances, it should report the amount of the entire portfolio of loans subject to the blanket lien in this item. A common error is to only report the balance of the Federal Home Loan Bank advances.
- **FR Y-9C, Schedule HC-E, Memoranda, item 1 and item 2** - Brokered deposits are often misreported resulting from the different line item breakdowns between the FR Y-9C report and the Call Report.

FR Y-9C Schedule HC-E Memoranda, item 1 Brokered deposits of \$250,000 or less with a remaining maturity of one year or less	Should equal	Call Report Schedule RC-E Memoranda, item 1d1 Brokered deposits of \$250,000 or less with a remaining maturity of one year or less
