HELPFUL HINTS

Use these helpful hints to ensure the FR Y-6 report is complete and accurate. These are for your use only – You do not need to include this with your completed FR Y-6 report. All reports must include the signed cover page, checklist, tiering page (if applicable), and a copy of the annual report to shareholders (if it meets the reporting criteria). Only submit report items 2-4 if they have changed from the prior year's report submission. We cannot accept unchanged report items.
