Class A

As required by the Federal Reserve Act of 1913, each Federal Reserve bank is governed by a board of directors comprising three classes:

Class A: Elected by district Fed member banks to represent member banks

Class B: Elected by district Fed member banks to represent the public in the interests of agriculture, commerce, industry, services, labor and consumers

Class C: Appointed by the Federal Reserve Board of Governors to represent the public in the same interests as Class B directors
