

Federal Advisory Council Representative

The council is composed of one representative from each of the 12 Federal Reserve districts. Members confer with the Fed's Board of Governors at least four times a year on economic and banking developments and make recommendations on Fed System activities.

George Makris Jr.

Chairman and CEO, Simmons First National Corp.

Pine Bluff, Ark.

OUR RETIREES

*We express our gratitude to members of our boards of directors
and advisory councils who retired over the past year.*
