

FEDERAL RESERVE BANK *of* ST. LOUIS  
CENTRAL TO AMERICA'S ECONOMY®

**Alberto G. Musalem**  
**President and CEO, Federal Reserve Bank of St. Louis**

Alberto G. Musalem is the president and CEO of the Federal Reserve Bank of St. Louis. In this role, he participates on the Federal Reserve's Federal Open Market Committee, or FOMC, which meets at least eight times each year to set the direction of U.S. monetary policy.

He also oversees the activities of the Eighth Federal Reserve District at its St. Louis headquarters and branches in Little Rock, Ark., Louisville, Ky., and Memphis, Tenn. These activities include economic research, fiscal agent responsibilities for the U.S. Treasury, supervision of District financial institutions, community development, and regional payments, transparency, technology and support functions.

As the St. Louis Fed president, Musalem makes public outreach a priority, talking regularly with people and communities across the Eighth District about the economy. Engaging with Main Street provides him with important insights as he represents the District at the monetary policy table.

Musalem is an economist and executive with nearly three decades of prior public and private sector experience in economic policy, finance and markets. He earned a Ph.D. in economics from the University of Pennsylvania. He also holds master's and bachelor's degrees in economics from the London School of Economics and Political Science.
