2016 Summer Internship Program

Jennifer Wethington, Lead Recruiter
Talent Acquisition

Summer Internship Program

- 12 weeks (May-Aug)
- Typically hire 25-35 interns
- Headquartered in St. Louis with three branches:
 - Little Rock, Ark.
 - Louisville, Ky.
 - Memphis, Tenn.

Core Competencies We Value

- **Critical thinking**
- **Interpersonal skills**
- **Written communication skills**
- **Ability to work in teams**
- **Business acumen**
- **Diversity**

Highlights

- Paid (\$15-17/hr)
- Areas such as Research, Bank Examination, Treasury Services, Public Affairs
- Professional Development Seminars weekly

Highlights

- Each intern is paired with a mentor
- Reception with President Bullard
- Culminates in BIE Week
Bank Interdisciplinary Experience Week-
interns are put into groups and given a
bank problem to solve. Present their
findings at the end of the week

BIE Week- Examples from Summer 2015

- How do we promote intelligent risk taking to aid in active pursuit of innovation?
- Surface ideas to increase employee involvement in organizational initiatives and work groups
- How can FRED incite students to become regular users, after they have been introduced to FRED in their coursework?

Internship Opportunities

We post the internships November through January. Decisions are made in January.
