

Printing the FR Y-9SP Report from the NIC Public Website

Overview

Currently there is no printing functionality built into the Reporting Central application. To save or print a user-friendly copy of the report, it is recommended that users access the report via the National Information Center (NIC) public website. A .pdf version of the FR Y-9SP report can be accessed from the NIC public website three to five days after submission. Once the report is available, it can be saved and/or printed using the browser's functionality.

Step 1 Access the **NIC public website** at <https://www.ffiec.gov/NPW>

Step 2 Enter your RSSD ID in the **Institution Name or RSSD ID** field and click the **Search** button. The Institution Name and RSSD will appear below once the search is complete.
