

Federal Reserve Bank of St. Louis Investment Connection Proposal

Proposal title	Momentum: A Minority Women-Owned Business
	Accelerator
Contact	Chauncey Pettis
Title	Director, Arkansas Women's Business Center
Email address	chauncey.pettis@winrock.org
Phone	501-280-3088
Organization name/address	Winrock International Institute for Agricultural
	Development
	Rodney Ferguson
	2101 Riverfront Drive
	Little Rock, AR 72202
Mission statement	Winrock International is a nonprofit organization that
	works with people in the United States and around the world to empower the disadvantaged, increase economic opportunity, and sustain natural resources.
	Winrock matches innovative approaches in agriculture,
	natural resources management, clean energy and
	leadership development with the unique needs of its
	partners. By linking local individuals and communities
	with new ideas and technology, Winrock is increasing
	long-term productivity, equity and responsible resource
	management to benefit the poor and disadvantaged of the world.
History of organization	Winrock is an organization with a nearly 35-year track
	record of delivering targeted technical assistance to
	entrepreneurs. Winrock is internationally recognized for
	its women's entrepreneurship, empowerment, and
	leadership programs. Winrock's mission is to work with
	people in the United States and around the world to
	empower the disadvantaged, increase economic
	opportunity, and sustain natural resources. The
	Arkansas Women's Business Center (AWBC) is a Winrock
	program that exemplifies its mission. The AWBC's
	mission is to help Arkansas-based women-owned small
	businesses start, grow, and compete in global markets by
	providing quality training, counseling, and access to
	capital and other resources. The Momentum project
	offers fundamental services in a five-week accelerator

for the rapid acceleration of 10 minority women-owned businessess. Winrock is a nonprofit organization that implements a portfolio of more than 150 agriculture, environment, and social development projects in more than 40 countries. Through the management and technical assistance provided by the AWBC, entrepreneurs, especially women who are economically or socially disadvantaged, are offered comprehensive training and counseling on a vast array of topics to help them start and grow their own businesses. AWBC offers one-on-one consulting and group trainings to startup and existing business owners in Arkansas, focusing on women. Entering its ninth year, the AWBC has assisted more than 1,455 clients in 53 counties in the state of Arkansas with more than 5,000 hours in training and counseling. The AWBC has assisted in forming 61 businesses that have created or retained more than 1500,000 in capital. The AWBC offers various projects designed for youth, women, minorities, and seniors. 	one county, open a project to several Arkansas counties,
Decolation commed including income	or host multiple projects in multiple counties.
Population served including income	Our target audience will be low-moderate income
	minority women aspiring to start their own businesses.
	Preference will be given to LMI applicants. At least 70 percent of chosen Momentum participants will be LMI
	individuals. 100 percent of the participating businesses
	will have significantly less than \$1 million in revenue with
	fewer than five employees.
Anticipated outcomes/impact	The goals of the Momentum project are as follows:
- Anticipated outcomes, impact	The godis of the Momentum project are as follows:
	To lower the barriers minority and women-owned
	entrepreneurs have to technical assistance and
	knowledge-based training.
	me menge mases manning.
	To provide minority women business owners ongoing
	access to support through a peer-to-peer network.
	To provide measurable business development growth
	through trackable action items and participants'
	deliverables.
How will the program be evaluated	Several evaluation and documentation steps will be
	taken to adequately report on the Momentum Project
	including:
	Pre and post project participant surveys tracking
	technical knowledge before and after training.
	Session sign-in sheets to document attendance.
	Post session surveys to evaluate session
	instruction quality, facilitator knowledge, and
	overall satisfaction, in order to improve
	subsequent sessions.
	Measurable Outcome Completion to monitor
	completion of business registration, lean canvas
	completion, and technical assistance uses. • Technical Assistance Checklist and Tracker to
	track and approve the use of technical assistance
	dollars by the participants.
Project time frame	08/01/2019-1/31/2020
Other significant partners in the proposal	Momentum has the support and capacity of the Arkansas
Carret organization in the proposal	Women's Business Center, Winrock International and the
	U.S. Small Business Administration. The AWBC director,
	Chauncey Holloman Pettis, has over 15 years of
	experience in owning and operating a small business in
	the state of Arkansas. Her products were sold in six
	regional and national retail chains nation-wide. As lead
	instructor, Pettis has experience in product design,
	development, and vendor relations. Winrock is an
	organization with a nearly 35-year track record of
	delivering targeted technical assistance to
	entrepreneurs. Winrock has financial accounting and

	program management processes and protocols in place to ensure that it meets the highest standards of accountability and transparency. The inclusion of SBA cooperative agreement with the AWBC guarantees each training will come with sign-in sheets, standard federal forms, session evaluations, and close out reporting.
Other funding secured or potential funding	None currently. The Rockefeller Family Foundation provided funding for the first Momentum project in early 2019.
